THE GENERAL ASSEMBLY 4

Acknowledging the tensions between the North Atlantic Treaty Organization (NATO) and the Russian Federation,

Reaffirming the right of all member states and other countries to protect their own internal and external sovereignty,

Recalling that the tensions between NATO and the Russian Federation began due to the inclusion of countries in the Warsaw Pact as a part of NATO,

1. Calls upon all states and the United Nations to end all sanctions against the Republic of Cuba as this poses harm to their economy and trading partners;
2. Requests for NATO to decrease their military presence in Ukraine as this results to increased tensions and conflict rather than diplomatic cooperation between Russia and Ukraine in ways including, but not limited to:
 - a) limiting troops deployed
 - b) limiting weaponry provided
 - c) limiting non-humanitarian aid provided to Ukraine;
3. Invites all member states to re-evaluate sanctions against the Russian Federation and its close allies to stop interference in other nations' businesses and improve the global economic state;
4. Emphasizes the necessity of member states not trying to gain influence in an area they have no historical belonging to;

5. Requests for all of NATO members to stop portraying Russia and its allies as the ones in the wrong whilst endangering the sovereignty of and civilians on Russian territory by engaging in the war;
6. Proposes that all annexed regions be given the right to hold just referendums monitored by the United Nations to decide whether they join Russian territory or remain a part of Ukraine.
